

# PLANX<sup>®</sup> PLANTERS

## NO-NONSENSE PLANTERS

When we talk quality planters, here's what we mean: solid construction with composite or PVC boards, or powder-coated aluminum infills to match any aesthetic. Modular design that fits into any landscape design, from raised beds to additional trellis systems. Planx<sup>®</sup> has it all.

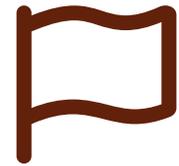

### CUSTOMIZABLE DESIGN

Countless color and size configurations

### FOOD-SAFE MATERIALS

Perfect for growing farm to table produce

### MADE IN THE USA

From design to manufacturing
