TRANSFERABILITY:

This Warranty is valid only for the original purchaser of the Product (the "Customer") and is not transferable. CITYSCAPES LIMITED WARRANTY

LIMITATIONS:

This warranty does not cover, and CityScapes bears no liability for, any damage or loss resulting from:

- Normal weathering (as defined below)
- Uneven exposure to sunlight
- Misuse or negligence
- Failure to provide reasonable maintenance to prevent accumulation of dirt, mildew, staining materials, pollution, exposure to chemical products or incompatible cleaners
- Improper handling or storage
- Defects in the roof structure (materials or construction) on which CityScape's products are installed which cause failure, such as movement, cracking or settling of the foundation or building.
- Deformation caused by high heat sources including but not limited to grills, fire pits, foil sheathing, low e-glass windows and low e-glass doors.
- Damage caused by animals or insects
- Damage caused by impact of foreign objects, including objects attached directly to the product, hail, lightning, fire, hurricane, tornadoes, or other Acts of God
- Vandalism, intentional damage, riot, or insurrection

NORMAL WEATHERING:

Normal weathering is defined as even exposure to ultraviolet sunlight and extremes of weather and atmosphere which will cause any colored or painted surface to fade, darken, chalk or acquire a surface accumulation of dirt or stains. The severity of these conditions depends on air quality, the geographic location of the property and other local conditions over which CityScapes has no control. CityScapes shall determine whether the materials are suffering from normal weathering (which is not covered by warranty). This conclusion shall be based on whether the product(s) evidences a change in color less than three (3) hunter units as calculated according to ASTM d2244. Product(s) must have been exposed to the same weathering conditions.

WARRANTY CLAIM:

To make a claim under this Warranty, the Customer must provide to CityScapes, within thirty (30) days of the discovery of the covered defect, a copy of the sales confirmation and contact CityScapes directly in writing or via email at contact@cityscapesinc.com. CityScapes will then provide instructions on the return of the defective Product.

Within thirty (30) days of identifying a defect, the claimant may be required to provide a written description with pictures demonstrating the claimed manufacturing defect. In some cases, an actual sample of the defective product may need to be removed at the owner's expense for analysis. CityScapes will analyze the provided materials and information to determine the validity of the claim.

This Warranty gives the Customer specific legal rights, and the Customer may also have other rights which vary from state to state.
