

NATURESCREEN[®] TOWERS

NatureScreen[®] Towers are your all-in-one solution for vertical green design. These custom square or curved towers wrap posts, piers, or columns, transforming structures into vibrant living art. Strong enough to mount to wood, metal, or concrete, they support climbing vines that cool in the summer and let light through in winter—bringing both beauty and performance to your project.

ENGINEERED AND MANUFACTURED TO ADAPT TO YOUR SPECS

— Transform existing structures into living landmarks.

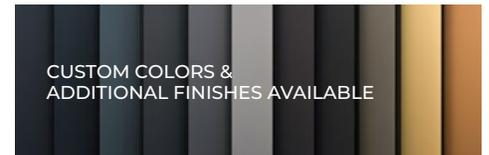

POPULAR, LONG-LASTING FINISHES
