COVRIT[®]
ENCLOSURES & GROUND SCREENS

A modern, three-story house with balconies and large windows is shown on a hillside. In the foreground, a COVRIT enclosure, which is a dark metal structure with vertical slats, houses a green trash bin. The enclosure is designed to blend with the building's architecture. The background features a grassy hillside and trees.

COVRIT® ENCLOSURES BLEND SO SEAMLESSLY INTO YOUR PROJECT'S ARCHITECTURE, YOU'LL FORGET THEY'RE EVEN THERE. THAT IS—UNTIL SOMEONE ASKS WHERE THEY CAN GET ONE, TOO.
