TOUGHGATE[™]

ENGINEERED STRENGTH. ARCHITECTURAL PRESENCE.

WHEN THE BACK OF THE BUILDING MATTERS AS MUCH AS THE FRONT.

Toughgate™ is engineered to secure the hardest-working areas and elevate everything it encloses. Rear access points, secure maintenance areas, and other utility areas no longer fade into the background—they become intentional, code-compliant design.

TOUGHGATE™
CLEAN, DURABLE, LOW-MAINTENANCE.

MEGAGATE™
WIDE OPENING, HEAVY-DUTY BRACING.

+ MORE INFILLS & POWDER-COAT FINISHES

TOUGHGATE™ DELIVERS CUSTOM-BUILT SECURITY WITH ARCHITECTURAL INTENTION. BECAUSE EVERY ELEVATION DESERVES RESOLUTION.

BUILD AMERICA BUY AMERICA ACT (BABAA) CERTIFIED

YOUR VISION. OUR EXPERTISE.

LET'S DESIGN SOMETHING EXTRAORDINARY TOGETHER.
